

Federations Module

Advanced Multi-SHG Dashboard

Manage. Monitor. Grow.

The Federation Module helps you oversee multiple SHGs, track performance, assess health, and communicate with ease — all from one powerful dashboard.

Network Hierarchy

Manage multi-level structure from SHGs to Clusters and Federations.

Cluster Assessment

Track group health, performance and risk with visual insights.

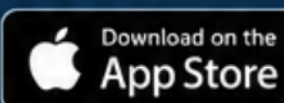

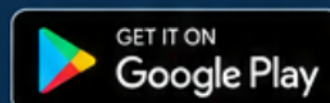

Communication Broadcasts

Send important updates, alerts and messages to all SHGs or selected groups.
